

**List of Faculty
Members
At Inuyama Campus
And in Kyoto**

NOTES:

* Faculty who can co-supervise students only in collaboration with those without the mark.
They cannot act as official main supervisors.

** Faculty who are retiring or are retired and cannot therefore supervise students in the relevant fiscal year.

Center for the Evolutionary Origins of Human Behavior

(INUYAMA)

<https://www.ehub-kyoto-u.com/en>

Professors

Dr. Katsuki NAKAMURA : katsuki@pri.kyoto-u.ac.jp
Studies on social and emotional cognition

Dr. Hiroo IMAI : imai.hiroo.5m@kyoto-u.ac.jp
Biochemistry and molecular biology of sensory receptors

Dr. Munehiro OKAMOTO : okamoto.munehiro.6w@kyoto-u.ac.jp
Molecular parasitology; Molecular phylogeny

Dr. Hirofumi AKARI : akari.hirofumi.5z@kyoto-u.ac.jp
Molecular and cellular virology; comparative immunology

Associate Professors

Dr. Eishi HIRASAKI : hirasaki.eishi.6x@kyoto-u.ac.jp
Evolution and adaptation of primate locomotion

Dr. Takeshi NISHIMURA : nishimura.takeshi.2r@kyoto-u.ac.jp
Morphological studies on the speech evolution; Comparative morphology and phylogenetic studies of fossil and living primates using CT and MRI

Dr. Takao OISHI : toishi@pri.kyoto-u.ac.jp
Studies of neural plasticity and development

Dr. Shigehiro MIYACHI : miyachi.shigehiro.8e@kyoto-u.ac.jp
Neurophysiological and neuroanatomical studies on cognition and action

Dr. Ikuma ADACHI : adachi.ikuma.2c@kyoto-u.ac.jp
Comparative explorations of animal cognition.

Assistant Professors

*Dr. Ken'ichi INOUE : inoue.kenichi.6z@kyoto-u.ac.jp
Studies of pathogenesis and treatment in basal ganglia disorders; Development of cell manipulation techniques for studies of high-order brain functions

*Dr. Masanori IMAMURA : imamura.masanori.2m@kyoto-u.ac.jp Molecular Biology

*Dr. Yukako KASTURA : katsura.yukako.5e@kyoto-u.ac.jp
Molecular Biology

*Dr. Takako MIYABE : miyabe.takako.2s@kyoto-u.ac.jp
Anesthesia of non-human primates; Primate veterinary clinics.

*Dr. Yuko HATTORI : hattori.yuko.8w@kyoto-u.ac.jp
Comparative cognition, rhythmic entrainment and the evolution of musicality

Program-Specific Assistant Professor

*Dr. Susumu TOMIYA : tomiya.susumu.8r@kyoto-u.ac.jp
Vertebrate morphology & paleontology; mammalian evolution & extinction; biodiversity conservation

Center for Ecological Research (INUYAMA)

<https://www.ecology.kyoto-u.ac.jp/>

Associate Professor

Dr. Goro HANYA : hanya.goro.5z@kyoto-u.ac.jp
Population ecology and feeding ecology of Asian primates.

Assistant Professor

*Dr. Hiroyuki TANAKA : tanaka.hiroyuki.6c@kyoto-u.ac.jp

Genetic study on monkey breeding populations; Molecular phylogenetics and biogeography of bees

Wildlife Research Center (INUYAMA)

<http://www.wrc.kyoto-u.ac.jp/en/index.html>

Professors

**Dr. Takeshi FURUICHI : furuichi@pri.kyoto-u.ac.jp

Ecology, reproductive strategy, and social behavior of wild chimpanzees and bonobos;
Evolution of social structure in apes and humans

Associate Professors

**Dr. Michael HUFFMAN : huffman.michael.8n@kyoto-u.ac.jp

Ecology and behavior of macaques and chimpanzees; Self-medication; Behavioral traditions

Dr. Andrew MACINTOSH : macintosh.andrew.7r@kyoto-u.ac.jp

Behavioral ecology; Animal Conservation & Welfare; Bio-complexity

Assistant Professor

*Dr. Chie HASHIMOTO : hashimoto.chie.2n@kyoto-u.ac.jp

Ecology and behavior of chimpanzees and bonobos

Wildlife Research Center (KYOTO)

<http://www.wrc.kyoto-u.ac.jp/en/index.html>

Director

**Dr. Gen'ichi IDANI : idani.genichi.8x@kyoto-u.ac.jp

Ecology and sociology of African great apes; Zoological science.

Professors

Dr. Miho INOUE-MURAYAMA : murayama.miho.5n@kyoto-u.ac.jp

Animal genetics; Polymorphism; Personality

Dr. Satoshi HIRATA : hirata.satoshi.8z@kyoto-u.ac.jp

Comparative cognition in primates; Social intelligence in great apes

Dr. Yoko MITANI: mitani.yoko.3w@kyoto-u.ac.jp
Marine mammals; Environmental dynamics

Dr. Ikki MATSUDA : Matsuda.ikki.5a@kyoto-u.ac.jp
Primate Behavior and Ecology; Wildlife Conservation

Associate Professors

Dr. Hideki SUGIURA : sugiura.hideki.7s@kyoto-u.ac.jp
Ecology and social behavior.

Dr. Shinya YAMAMOTO : shinyayamamoto1981@gmail.com
Social cognition and evolution

Program-Specific Associate Professors

*Dr. Mayako FUJIHARA : fujihara.mayako.3i@kyoto-u.ac.jp
Reproductive technology; Wildlife Conservation

*Dr. Takuya SOMA : soma.takuya.6z@kyoto-u.ac.jp
Ecological Anthropology; Animal Ecology; Human Geography

Assistant Professors

*Dr. Yu SATO : sato.yu.3z@kyoto-u.ac.jp
Conservation genetics

*Dr. Nahoko TOKUYAMA : tokuyama.nahoko.6r@kyoto-u.ac.jp
Group living; Cooperation; Between group relationships

Program-Specific Assistant Professor

*Dr. Jie GAO : gao.jie.7u@kyoto-u.ac.jp
Cognition and Learning; Perception

The Kyoto University Museum (KYOTO)

<https://www.museum.kyoto-u.ac.jp/>

Professor

Dr. Masanaru TAKAI : takai@pri.kyoto-u.ac.jp

Evolutionary history of the Paleogene primates in East Asia; Evolutionary history of Asian Old World monkeys.

Assistant Professor

*Dr. Tsuyoshi ITO : ito.tsuyoshi.3a@kyoto-u.ac.jp

Biogeography; Evolution; Phylogeny
