

List of Faculty Members at Inuyama Campus and in Kyoto (AY2025)

NOTES:

* Faculty members who can co-supervise students only in collaboration with those without the mark. They cannot officially act as primary supervisors.

** Faculty members who are retiring or are retired and cannot therefore supervise students in the relevant academic year.

[Center for the Evolutionary Origins of Human Behavior](#)

Faculty based in Inuyama:

Professors

Dr. Hirofumi AKARI : akari.hirofumi.5z@kyoto-u.ac.jp
Molecular and cellular virology; comparative immunology

Dr. Hiroo IMAI : imai.hiroo.5m@kyoto-u.ac.jp
Biochemistry and molecular biology of sensory receptors

Dr. Masayuki MATSUMOTO : matsumoto.masayuki.4w@kyoto-u.ac.jp
Neuroscience

Dr. Katsuki NAKAMURA : nakamura.katsuki.4z@kyoto-u.ac.jp
Studies on social and emotional cognition

Associate Professors

Dr. Ikuma ADACHI : adachi.ikuma.2c@kyoto-u.ac.jp
Comparative explorations of animal cognition.

Dr. Eishi HIRASAKI : hirasaki.eishi.6x@kyoto-u.ac.jp
Evolution and adaptation of primate locomotion

Dr. Shigehiro MIYACHI : miyachi.shigehiro.8e@kyoto-u.ac.jp
Neurophysiological and neuroanatomical studies on cognition and action

Dr. Takao OISHI : oishi.takao.5e@kyoto-u.ac.jp
Studies of neural plasticity and development

Program-Specific Associate Professors

*Dr. Hidetoshi AMITA : amita.hidetoshi.7x@kyoto-u.ac.jp
Neuroscience

*Dr. Naho KONOIKE : konoike.naho.8x@kyoto-u.ac.jp
Neuroscience

*Dr. Hiroshi UENO : ueno.hiroshi.3u@kyoto-u.ac.jp
Clinical Veterinary Medicine

Assistant Professors

*Dr. Yuko HATTORI : hattori.yuko.8w@kyoto-u.ac.jp
Comparative cognition, rhythmic entrainment and the evolution of musicality

*Dr. Ken'ichi INOUE : inoue.kenichi.6z@kyoto-u.ac.jp
Studies of pathogenesis and treatment in basal ganglia disorders; Development of cell manipulation techniques for studies of high-order brain functions

*Dr. Yukako KATSURA : katsura.yukako.5e@kyoto-u.ac.jp
Molecular Biology

*Dr. Takako MIYABE : miyabe.takako.2s@kyoto-u.ac.jp
Anesthesia of non-human primates; Primate veterinary clinics.

Program-Specific Assistant Professors

*Dr. Atsunori HIGASHINO : higashino.atsunori.6e@kyoto-u.ac.jp
Laboratory Animal Science

*Dr. Toru TAKAHATA : takahata.toru.8s@kyoto-u.ac.jp
Neuroanatomy

*Dr. Susumu TOMIYA : tomiya.susumu.8r@kyoto-u.ac.jp
Vertebrate morphology & paleontology; mammalian evolution & extinction; biodiversity conservation

Center for Ecological Research

Faculty based in Inuyama:

Associate Professor

Dr. Goro HANYA : hanya.goro.5z@kyoto-u.ac.jp
Population ecology and feeding ecology of Asian primates.

Assistant Professor

*Dr. Hiroyuki TANAKA : tanaka.hiroyuki.6c@kyoto-u.ac.jp
Genetic study on monkey breeding populations; Molecular phylogenetics and biogeography of bees

Wildlife Research Center

Faculty based in Kyoto:

Director

**Dr. Gen'ichi IDANI : idani.genichi.8x@kyoto-u.ac.jp
Ecology and sociology of African great apes; Zoological science

Professors

Dr. Satoshi HIRATA : hirata.satoshi.8z@kyoto-u.ac.jp
Comparative cognition in primates; Social intelligence in great apes

Dr. Miho INOUE-MURAYAMA : murayama.miho.5n@kyoto-u.ac.jp
Animal genetics; Polymorphism; Personality

Dr. Ikki MATSUDA : matsuda.ikki.5a@kyoto-u.ac.jp
Primate Behavior and Ecology; Wildlife Conservation

Dr. Yoko MITANI: mitani.yoko.3w@kyoto-u.ac.jp
Marine mammals; Environmental dynamics

Associate Professors

Dr. Hideki SUGIURA : sugiura.hideki.7s@kyoto-u.ac.jp
Ecology and social behavior

Program-Specific Associate Professors

*Dr. Mayako FUJIHARA : fujihara.mayako.3i@kyoto-u.ac.jp
Reproductive technology; Wildlife Conservation

Assistant Professors

*Dr. Yu SATO : sato.yu.3z@kyoto-u.ac.jp
Conservation genetics

Program-Specific Assistant Professor

*Dr. Jie GAO : gao.jie.7u@kyoto-u.ac.jp
Cognition and Learning; Perception

Faculty based in Inuyama:

Assistant Professor

*Dr. Chie HASHIMOTO : hashimoto.chie.2n@kyoto-u.ac.jp
Ecology and behavior of chimpanzees and bonobos

The Kyoto University Museum

Faculty based in Kyoto:

Professor

Dr. Masanaru TAKAI : takai.masanaru.2s@kyoto-u.ac.jp
Evolutionary history of primates in East and Southeast Asia

Assistant Professor

*Dr. Tsuyoshi ITO : ito.tsuyoshi.3a@kyoto-u.ac.jp
Biogeography; Evolution; Phylogeny

Institute for the Future of Human Society

Faculty based in Kyoto:

Professors

Dr. Shinya YAMAMOTO : yamamoto.shinya.3u@kyoto-u.ac.jp
Comparative cognitive science; evolution of social intelligence
